

Miss Kelly

Kelly Marquis is thrilled to be returning to the studio after a much too long hiatus! Kelly spent the majority of her youth dancing at Longwood Performing Arts where she was a member of Longwood Dance Company and taught her very first dance class. Kelly graduated from Kent State University Summa Cum Laude with a double major BFA Musical Theatre and BFA Dance Performance. While at Kent, Kelly was a member of the Kent Dance Ensemble and also served as the Student Artistic Director. She had the opportunity to perform at American College Dance Festival multiple times and her senior choreography piece "...trol" was chosen to be presented for adjudication. After college, Kelly moved to New York City and spent her days working as a waitress/restaurant manager so she could continue performing, choreographing, and teaching. When her daughter Skyla was born, Kelly left NYC and took a job as a bookkeeper so she could work during school hours. Now that Skyla is older and spending most of her evenings at Visions too, Kelly is beyond excited to finally be back doing what she loves with people she believes in!
